

Senior Staff Auditor (Full Time)

Primary responsibility is to complete assurance engagements in accordance with firm policy while maintaining key client relationships. Senior Staff Auditor has the knowledge and experience to supervise many aspects of an engagement.

Responsibilities:

- Complete assurance engagements primarily in nonprofit, construction/real estate and manufacturing industries.
- Assume responsibility for assurance engagements by reviewing staff workpapers and conclusions, and present findings to more experienced colleagues.
- Build a thorough understanding of GAAP, GAAS, OCBOA and common audit procedures & techniques.
- Enhance existing client relationships.
- Recognize opportunities to provide additional services to existing clients.
- Actively participate in appropriate continuing education to meet state and firm requirements.

Competitive Candidate Profile:

- 4+ years of public accounting experience
- Experience in multi-person engagements
- CPA designation
- Experience in nonprofit, construction/real estate or manufacturing industries or similar
- Possess technical knowledge sufficient to supervise staff accountants
- Outstanding attention to detail
- Strong communication skills
- Professional demeanor

Perks:

- Competitive salary & benefit package (range varies depending on experience)
 - Medical insurance (large % of premium subsidized by employer)
 - 100% company paid dental & vision insurance (employee only)
 - 401k with company match and potential profit sharing contributions
 - Generous time off
- Relaxed, business casual atmosphere
- Flexibility
- Minimal travel for the industry
- Opportunity for growth
