

# Spring Tax Internship Program

Brooks Lodden, P.C. has offered a full-time Spring Internship (co-op) program for over 17 years. We recruit accounting students in their 3<sup>rd</sup>, 4<sup>th</sup> or 5<sup>th</sup> year of accounting program that have an interest in pursuing public accounting as a career choice. Students take the semester off to work as a full-time staff person in our tax department. It's an immersive experience in income taxes, the public accounting environment, and Brooks Lodden, P.C.

This is an excellent opportunity for accounting students from the Des Moines area or those studying at nearby colleges and universities. Many of our past interns have gone on to work for us full-time upon graduation.

*Paid internship at our West Des Moines, IA location.*
